One question was posed by Sydel Zove as to how the funding will be distributed. Jacy Toll provided explanation that funds will be requested through the steering committee and approved by the BOS. Reporting of the funds will be provided.

On a motion by Supervisor Moy, seconded by Supervisor McCusker (Vote4-0) the Board of Supervisors approved the motion.

Consider request from Barren Hill Volunteer Fire Company and recommended by the Emergency Services Board to support a Station number change from "Station 29" to "Station 32".

On a motion by Supervisor Moy, seconded by Supervisor McCusker (Vote4-0) the Board of Supervisors approved the motion.

## **PUBLIC COMMENT PERIOD –**

Resident Debra Harris suggested that it would be prudent to purchase land from 604-608 Ridge Pike owners to provide an easement in the rear of the properties to allow access from Ridge Pike to Germantown Pike in a safer manner.

Resident Sydel Zove does not feel that the Zoning Hearing board is familiar with the comprehensive plan for the town's hip and thinks that the group should hold a workshop and require the members to participate.

Resident Steve Kaufman spoke to provide agreement with Debra Harris's statement. He also feels that the hardship/unreasonableness for zoning needs to be in writing.

Resident Corrine Detterely, who is a member of the Sierra Club for Zero Net Waste inquired about who to speak with in regards to implementing a composting area. She toured Lowe Merion's and would like to discuss this with township board members.

**BOARD MEMBER COMMENTS**

The Board thanked Fran McCusker for his 8 years of service to Whitmarsh Township. Fran as presented with certificates and a donation made in his name to the Norristown Hospitality Center. Fran thanked the committee for all of their hard work and promised to remain active in the township.

**EXECUTIVE SESSION**

Chair Toll announced that the Board of Supervisors held an Executive Session on November 20, December 2 and December 11,2025 to discuss Real Estate, litigation and personnel matters.

**ADJOURNMENT**

On a Motion by Supervisor Moy, seconded by Supervisor McCusker the meeting for December 11 2025, was adjourned at 8:15 PM.

Respectfully Submitted,

Craig T. McAnally  
Township Manager

There is a Public Hearing on your agenda for an ordinance that would amend certain provisions in the Zoning Ordinance and Subdivision and Land Development Ordinance (SALDO) related to regulating development on 'steep slopes'. (This hearing was authorized for advertisement at your December 11, 2025 meeting.)

The major amendments are to the Steep Slope Conservation Overlay District (SSOD) in the Zoning Ordinance. In addition, there are some definitional amendments; in the SALDO, the only amendments are to related definitions. There are two ordinance documents attached—one is the ordinance that is the subject of the public hearing; the second is a working document that shows the existing provisions of each ordinance and how they are proposed to be amended by the proposed ordinance.

This is a project that the Planning Commission has been working on with our planner, Tim Konetchy, from the Montgomery County Planning Commission through our Planning Assistance Contract since late summer. The Planning Commission recommended that this ordinance be considered for adoption by the Board at its November 19, 2025 meeting. These amendments are intended to modernize our steep slope provisions and avoid many unnecessary cases for the Zoning Hearing Board, which we have been experiencing in recent years. The most significant changes are defining steep slopes starting at 15% as opposed to the current 8% threshold, and re-defining the steep slope ratio ranges that determine maximum allowable impervious coverage. Fifteen percent is the most commonly used threshold throughout the County in municipal ordinances. There are a number of other changes as well to protect steep slopes from inappropriate development and to better manage stormwater. Mr. Konetchy will present the proposed ordinance at the hearing. In addition, MCPC's required review of the proposed ordinance is attached.

If the Board has any questions, I will be happy to answer them.

### § 116-167. Title.

This article shall be known and may be cited as the "Whitemarsh Township Steep Slope Overlay Ordinance."

### § 116-168. Legislative intent.

In amplification of § 116-2, the specific intent of this article is:

- A. To conserve and protect those areas having steep slopes, as defined herein, from inappropriate development and excessive grading.
- B. To minimize stormwater runoff, accelerated soil erosion and resultant stream siltation which may create a danger to life and/or property.
- C. To relate the intensity of development to the steepness of terrain in order to minimize grading, the removal of vegetation, runoff and erosion.
- D. To protect the Township from development in areas of steep slopes which may cause a subsequent expenditure for public works and disaster relief, which affects the welfare of the Township and its residents.
- E. To implement Article I, § 27, of the Constitution of the Commonwealth of Pennsylvania, which decrees that the people have a right to clean air, pure water and to the preservation of the natural, scenic, historic and aesthetic values of the environment.
- F. To mitigate the effects of climate change by protecting and preserving presently healthy ecosystems, restoring ailing ecosystems when practical, and promoting the net accumulation of healthy habitat on all public and private lands, consistent with the premise of the Township's Comprehensive Plan.

### § 116-169. Modification of regulations. [Amended 9-18-1986 by Ord. No. 537]

Re: MCPC #25-0256-001  
Proposal Name: Steep Slope Overlay Amendments [RE: Zoning Ord. and  
Subdivision and Land Development Ord.]  
Whitmarsh Township

Dear Mr. Guttenplan:

As requested, we have reviewed the above-referenced zoning ordinance amendment in accordance with Section 609 of Act 247, "The Pennsylvania Municipalities Planning Code," as well as the above-referenced subdivision and land development ordinance amendment in accordance with Section 505 of Act 247. We forward this letter as a report of our review.

## BACKGROUND

Whitmarsh Township has submitted proposed zoning ordinance and subdivision and land development ordinance text amendments related to the regulation of steep slopes in Whitmarsh Township. The Montgomery County Planning Commission (MCPC) assisted in drafting the proposed ordinance amendments under its Community Planning Assistance Contract with Whitmarsh Township, working closely with the Township Planning & Zoning Department and the Township Planning Commission over the course of several months. On November 19, the Planning Commission voted to recommend that the Board of Supervisors authorize the draft ordinance for public hearing. The Board of Supervisors has scheduled a public hearing for the proposed ordinance amendments on January 8, 2026.

The proposed text amendments to Article XXIII, Steep Slope Overlay District, of the Whitmarsh Township Zoning Ordinance (Chapter 116 of the Code of Ordinance of Whitmarsh Township) include the following:

- Amending Section 116-11, Definitions, to clarify the definitions for the following terms used within the Steep Slope Overlay District: *disturbance*, *normal agricultural operation*, *invasive species*, *slope*, *steep slope*, and *steep slope ratio*.

- Adding a new statement under Section 116-168, Legislative Intent, that affirms the goal of mitigating the impacts of climate change, consistent with the Township Comprehensive Plan.
- Amending Section 116-169.A. to increase the initial “steep slope ratio” that initiates the “modifications of regulations” set forth in this section (i.e., increased minimum lot area and reduced impervious surfacing allowance).
- Amending Section 116-169.B. to reduce the permissible disturbance area for areas of steep slope:
  - o Areas where slopes of 15-25% are present will be limited to 25% disturbance area.
  - o Areas where slopes of 25-35% are present will be limited to 10% disturbance area.
  - o Areas where slopes exceed 35% will be prohibited from disturbance.
- Amending Section 116-169.C. to clarify the intent of an existing exemption for agricultural uses.
- Amending Section 116-169.C. to establish a new administrative exemption for minor improvements on improved residential properties.

The proposed text amendments to the Whitemarsh Township Subdivision and Land Development Ordinance (Chapter 105 of the Code of Ordinance of Whitemarsh Township) provide for new or amended definitions of the following terms: *disturbance*, *normal agricultural operation*, *invasive species*, *slope*, *steep slope*, and *steep slope ratio*.

## COMPREHENSIVE PLAN COMPLIANCE

### ***Whitemarsh Township Selective Comprehensive Plan Update (2020)***

The proposal appears generally consistent with Whitemarsh Township’s *Selective Comprehensive Plan Update (2020)*. Specifically, the proposed ordinance amendments address Land Use Policy #3 to “Protect and enhance Whitemarsh’s viewsheds and natural resources,” as well as two corresponding action items:

- Ensure new development limits grading, preserves natural topography, and preserves ridgelines (pg. 49).
- Review and update ordinances to ensure viewsheds, riparian corridors, hillside development standards and other environmental aspects are adequately addressed (pg. 49).

### ***Montco 2040: A Shared Vision (2015; Amended 2021)***

The proposal is generally consistent with Montgomery County’s comprehensive plan *Montco 2040: A Shared Vision (2015; amended 2021)*. One of the key themes of *Montco 2040* is the concept of “Sustainable Places,” which involve modernized infrastructure, improved stormwater management, protected natural resources, opportunities for healthy lifestyles, diverse housing choices, and enhanced community character. This proposal advances the sustainable places goal to “Conserve natural resources, environmentally sensitive areas, and farmland,” (pg. 7) by establishing stronger protections for steeply sloped land within Whitemarsh Township.

## RECOMMENDATION & CONCLUSION

MCPC supports the applicant's proposal without comment as we have found it to be generally consistent with the comprehensive plans of Montgomery County and of Whitemarsh Township, as discussed above. We wish to commend Whitemarsh Township for prioritizing environmental conservation and sustainable development through targeted land use regulations such as the proposed amendments.

Please note that the review comments and recommendations contained in this report are advisory to the municipality and final disposition for the approval of any proposal will be made by the municipality.

Should the governing body adopt these proposed ordinance amendments, Sections 505 and 609 of the Municipalities Planning Code requires that we be sent an official copy within 30 days.

Sincerely,

Timothy Konetchy, AICP, Senior Community Planner

**WHEREAS**, the Board of Supervisors of Whitemarsh Township has enacted the Code of Ordinances of Whitemarsh Township which includes, *inter alia*, provisions governing fire, life safety, and property maintenance in Whitemarsh Township; and

**WHEREAS**, the Board of Supervisors has determined that the adoption of the 2021 International Fire Code, with amendments, as the Township's Fire Code, as recommended by the Township Fire Marshal, and the adoption of the 2021 International Property Maintenance Code, with amendments, as the Whitemarsh Township Property Maintenance Code is in the best interests of the health, safety, and welfare of the residents of Whitemarsh Township;

**NOW, THEREFORE**, be it, and it is hereby **ORDAINED** by the Board of Supervisors of Whitemarsh Township, and it is hereby **ENACTED** and **ORDAINED** by authority of same as follows:

I. That a certain document, three (3) copies of which are on file in the office of the Fire Marshal of Whitemarsh Township, being marked and designated as the *International Fire Code*, 2021 edition, including all related appendices, as published by the International Code Council, be and is hereby adopted as the Fire Code of Whitemarsh Township, regulating and governing the safeguarding of life and property from fire and explosion hazards arising from the storage, handling, and use of hazardous substances, materials, and devices, and from conditions hazardous to life or property in the occupancy of buildings and premises as herein provided; providing for the issuance of permits and collection of fees therefor; and each and all of the regulations, provisions, penalties, conditions and terms of said Fire Code on file in the office of the Fire Marshal are hereby referred to, adopted, and made a part hereof, as if fully set out in full in this Ordinance, with the additions,

insertions, deletions, and changes, if any, prescribed in Section II. of this Ordinance.

II. That the following sections of the 2021 edition of the International Fire Code are hereby revised as follows:

A. Section 101.1. – Insert: “Whitemarsh Township, Montgomery County”

B. Section 103.1., “General”, is amended to read as follows:

“The Department of Fire Prevention is established within the jurisdiction and under the direction of the Fire Marshal. The Fire Marshal/Code Official shall be in charge of the operation of this Department and its function shall be the implementation, administration, and enforcement of the provisions of this code.”

C. Section 103.2., “Appointment”, is deleted and replaced by the following language:

“The Fire Marshal position shall be filled as prescribed in the Code of the Township of Whitemarsh.”

D. A new Section 105.1.7., “Fees”, is added as follows:

“Fees for fire permits shall be in accordance with a schedule adopted by resolution of the Board of Supervisors.”

E. Sections 105.6, Required Construction Permits, is amended to read as follows:

“The Fire Code Official is authorized to issue permits and collect fees as enumerated in Sections 105.6.1. through 105.6.24. in accordance with the fee schedule adopted by resolution of the Board of Supervisors.”

F. Section 112.4. -- Insert: “Summary”, “not to exceed \$1,000” and “30 days”.

G. Section 202 shall have the following definition added:

"FIRE MARSHAL -- The Fire Marshal of Whitemarsh Township, who shall also be the Fire Chief and Fire Official as referred to in this Code."

H. Section 503.2.1. is deleted, and the following language substituted:

"Dimensions. Fire Apparatus access roads shall have an unobstructed width of 24 feet, exclusive of shoulders, except for approved security gates in accordance with Section 503.6, and an unobstructed vertical clearance of 14 feet. No access driveway shall be located closer than five feet to a structure."

I. A new Section 507.1.1. is added as follows:

"All water mains shall be of sufficient size to provide at least 1,500 gallons per minute for fire hydrants. A loop system shall be used unless otherwise approved by the Fire Official."

J. A new Section 507.5.7. is added as follows:

"507.5.7. Fire hydrants. Specifications. Fire hydrants shall have National Standard Threads and be approved by the Fire Official. The following criteria shall be required regarding installation:

1. The hard-suction connection shall face the street, access driveway or fire walkway with the side outlets parallel to the cartway or walkway edge.
2. A minimum clearance of 20 inches, measured from the bottom of the lowest outlet to final grade of ground or pavement, shall be provided. In no case shall said clearance be more than 26 inches.
3. Fire hydrants shall be appropriately spaced so as not to exceed 500 feet between hydrants.
4. Fire hydrants required to be located outside a street right-of-way shall not be accepted as public fire hydrants by the Township.
5. Fire hydrants shall be located within five feet of paved streets, access driveways or fire walkways."

K. Section 605.5 & 605.5.1 are deleted and replaced by the following language:

"605.5. Portable heaters. Portable heaters, vented or unvented, in any structure, other than a single-family dwelling, which is used wholly or in part for human habitation, shall be prohibited. Portable heaters shall include, but not be limited to, heaters having a barometrically fed fuel

control, with a fuel supply tank located less than 42 inches from the center control, with a fuel supply tank located less than 42 inches from the center of the burner, using gas, kerosene, range oil or No. 1 fuel oil for fuel.

605.5.1. Prohibited locations. Unvented fuel-fired heating equipment shall not be located in or obtain combustion air from any of the following rooms or spaces: sleeping rooms, bathrooms, toilet rooms or storage rooms.

605.5.1.1. Certain sales prohibited. No person shall sell or offer for sale or install a secondhand, previously owned, space heater or portable stove which uses gas, kerosene, range oil or No. 1 fuel oil for fuel.

605.5.1.2. Limited permissible uses of unvented kerosene heaters. Unvented kerosene heaters may be used in an agricultural building or a building under construction. Such heaters shall meet UL Subject 647 and bear the Underwriters' Laboratories, Inc. label, so certifying compliance."

L. Section 1103.5.3 Insert "by January 1<sup>st</sup> 2024 or in the event of use and occupancy change of an existing building"

M. Section 5601.2.4. is amended as follows:

"\$100,000" shall be changed to "\$5,000,000"

N. If any conflict arises between the 2021 International Fire Code (IFC), PA Act 43 of 2017, Ordinance #989, or Ordinance #990, the Act and Ordinances shall supersede the IFC.

O. All geographic limits referred to in certain sections of the 2021 International Fire Code are to comply with the Whitemarsh Township Zoning Code.

III. That a certain document, three (3) copies of which are on file in the office of the Code Enforcement Officer of Whitemarsh Township, being marked and designated as the *International Property Maintenance Code*, 2021 edition, including all related appendices, as published by the International Code Council, be and is hereby adopted as the Property Maintenance Code of Whitemarsh Township, which establishes minimum

requirements for the maintenance of existing buildings through model code regulations that contain clear and specific property maintenance and property improvement provisions; providing for the issuance of permits and collection of fees therefor; and each and all of the regulations, provisions, penalties, conditions and terms of said Property Maintenance Code on file in the office of the Code Enforcement Officer are hereby referred to, adopted, and made a part hereof, as if fully set out in full in this Ordinance, with the additions, insertions, deletions, and changes, if any, prescribed in Section IV. of this Ordinance.

IV. That the following sections of the 2021 edition of the International Property Maintenance Code are hereby revised as follows:

A. Section 101.1. – Insert: “Whitemarsh Township, Montgomery County”

B. Section 103.1. is amended to read as follows:

“**103.1 Enforcement Officer.** The Whitemarsh Township Code Enforcement Officer is hereby designated as the official in charge of the implementation, administration and enforcement of the provisions of this code.

V. All ordinances of parts thereof inconsistent with this Ordinance are hereby repealed to the extent of the inconsistency.

VI. The provisions of this Ordinance are declared to be severable. If any provision of this Ordinance is declared by a court of competent jurisdiction to be invalid or unconstitutional, such determination shall have no effect on the remaining provisions of this Ordinance or on the provisions of the Code of Ordinances of Whitemarsh Township.

VII. This Ordinance shall become effective on the earliest date permitted by the Whitemarsh Township Charter.
