LETTER FROM THE CHAIR

Dear Whitemarsh Residents,

The end of another fun-filled summer is upon us, so start your preparations for fall delights such as: autumn leaves, pumpkin spice, cooler weather, and a variety of great Parks and Recreation programs and events that are just around the corner! We may be sad to say goodbye to the warmer season and summer vacations but get excited as our Parks and Recreation Department has planned an enjoyable fall season, with inclusive programs for people of all ages and abilities to attend and enjoy!

Like every other season, the special events calendar is full of a wide array of exciting and community-oriented events. We're kicking off the season with our Touch-a-Truck event for the youngest residents on September 21st before rolling into our environmentally friendly Fall Shredding event which is scheduled for Saturday October 5th with both taking place in the Miles Park Lower Lot. Our annual family favorite and slightly spooky Witches of Whitemarsh Hayride will be taking place at Cedar Grove Park in the final full week of October. Returning again in the late fall is our bus excursion to the Radio City Musical Hall 2024 Holiday Spectacular Show on Thursday, December 5th.

The diverse recreational programs this fall bring back many of our favorites from previous years that residents will enjoy! With a variety of fitness programs, dance classes, socials, toddler enrichment programs, adult special needs, youth programming, and greenhouse program activities, there is truly something for everyone. A few of the many options this fall are Draw in the Park classes, Survival School for children and adults, a bevy of fitness classes, and our always popular Senior Eat and Enjoy Luncheon Socials for the older adults in our community!

With all of the exciting events and opportunities for this upcoming fall season, or to simply get outside and enjoy nature and exercise in the parks or trails areas, myself and my fellow Supervisors hope that you can enjoy this wonderful time of year with Whitemarsh Parks and Recreation!

Sincerely,

Fran McCusker

All major credit cards are accepted!

Questions? Comments? Suggestions?

Please do not hesitate to contact the Parks & Recreation Department at (610) 828-7276. We look forward to assisting you!

PARKS & RECREATION CANCELLATIONS & REFUNDS

Whitemarsh Township Parks and Recreation reserves the right to cancel any program, trip, or camp due to insufficient participation or for participant and staff safety. On the occasion that the department cancels a program, a full refund will be given in the form of check or credit card used for payment. Refunds take up to four weeks to process. We do not issue cash refunds.

PROGRAM, ACTIVITY, OR SPECIAL EVENT REFUND POLICY

- A participant may request to be removed from a program, activity, or special event but must do so one week prior to the program start date to receive a full refund, less \$5.00 processing fee, or a full credit to be used within one year of issuance.
- Participant requesting a refund within one week of the program start date will receive a 50% refund or credit. At this point, supplies have already been ordered, staff hired, etc. for programs.
- Once a program starts, no refunds will be issued.
- We do not pro-rate for late registration.
- Refunds / credits are not given for any classes you choose not to attend.
- If the Governor of PA declares a specific number of participants is unsafe, or the COVID-19 pandemic becomes unsafe and quarantine is issued a pro-rated full refund will be issued.
- Whitemarsh Township Parks and Recreation Department reserves the right to cancel the program at any time out of an abundance of caution for participants and staff given the COVID-19 crisis. A full pro-rated refund will be issued.
- All refund requests should be made prior to the end of the registered program.

KOONTZ PARK NATIVE GARDENS & GREENHOUSE PROGRAM

This project, in collaboration with Whitemarsh Township, is run entirely by local volunteers who are passionate about growing, planting, nurturing, and promoting native species. They gather regularly to practice sustainable gardening. No fertilizers or pesticides are used in the park gardens.

Located in Koontz Park, the greenhouse is a Township gem and home base to the garden volunteers, who tend to the native gardens. Volunteers and local groups grow native varieties and vegetable plants, some of which are given away at various events, as well as planted in the Township's native gardens. The vegetables are planted in local community garden donation plots and harvested for weekly distribution at a local food bank.

For More Information on the Program

Contact Karen by:

Phone: 610-405-4269

WHITEMARSH TOWNSHIP PARKS AND RECREATION DEPT.

Koontz Park

2391 Harts Lane
Lafayette Hill, PA 19444

Hours: Mon-Fri, 8:30am - 4:30pm

Phone: 610-828-7276

Email: parkandrec@whitemarshntp.org

Website: www.whitemarshparks.org

Our Goals:

- Restore a healthy ecosystem for all Whitemarsh Township Residents - humans, animals, insects, micro-organisms, and plants.
- Promote the inclusion of native plants in public and private gardens.
- Educate township residents and visitors about the benefits of native plants in the landscape.
- How native plants improve the environment
- Encourage collaboration and information-sharing among neighbors and Township departments, boards/commissions, and local civic associations.

How to Participate:

- Volunteers often meet in the mornings weekly at the Koontz Park. Start time varies, depending on time of year.
- ALL volunteers, regardless of skill level, are welcome. We take great pleasure in sharing what we know and learning from one another. Please join as your schedule allows.

KOONTZ PARK NATIVE GARDENS & GREENHOUSE PROGRAM

UPCOMING FREE EVENT

Pruning Young Trees 101

September 21st - 10:00am to 11:30am - Koontz Park located at 2391
Harts Lane, Lafayette Hill, PA 19444

Andrew Conboy, ISA-Certified arborist, will discuss the basics of pruning young trees. Mature trees are often pruned incorrectly later in life, which can lead to numerous issues as the tree ages. Proper early pruning can prevent these issues and improve tree longevity.

The event will start with a PowerPoint presentation indoors, and then head outside to take a look at trees around the park. A live pruning demo will also take place on some park trees!

Lecture by:

Andrew Conboy
